

fold style, and we combined the elements that we liked in particular: the power of metal, electronics and symphonic atmospheres. We were so pleased by the result that we decided to follow up writing the album.

**Can you describe your concerts? What are the next dates that will see you involved?**

First of all we hope to reach as many people as possible. For the moment we have no due dates. It's definitely a bold choice, but it makes sense. We wanted to focus our efforts in communicating a musical message through social media, with video clips, photos and everything that revolves around the musicians of Klee Project, in order to create a community of followers and fans who follow us in the future, live .

**Who is or who are the Italians independent artists that you value the most right now**

**and why?**

Destrage, Anewrage, Celeb Car Crash, Brain Distillers Corporation friends and bands that we value because in their respective genres are defining a captivating sound without compromising quality. This is the same goal as we do.

**Can you name three songs, Italian or foreign, that did have influenced you the most?**

More than the songs we could speak of band that influenced our sound. Artists like Nickelback, Alter Bridge, Shinedown, Foo Fighters, but also bands like Depeche Mode, Genesis, Marillion, Def Leppard joined electronic components and orchestrations have sought our matrix. The whole thing was very spontaneous and we have written with heart and passion jet everything we wanted to express, without limits.
